Hon. Charles E. Hughes,

Washington, D. C.

We are taking the liberty of sending you by mail a set of resolutions adopted by a mass meeting of Greek Americans formerly of Pontus, Asia Minor, protesting against the barbarities, cruelties and outrages by the Nationalist Turks upon their compatriots in Pontus. We sincerely hope that these resolutions will move you to urge congressional action toward the cessation of such inhuman practices upon a defenseless people. In the name humanity, we appeal to you as Secretary of State.

FRANK W. JACKSON, Chairman of The Mass Meeting.

SAVA KEHAYA, President of the Pontian League.

Hughes,

Secretary Foreign Affairs and President of Conference Washington.

Am commissioned by the Pontos Central Council to appeal to your high sense of justice and humanity in behalf of hundreds of thousands of Christians of Asia especially Greeks of Pontos. Outrage, massacre, incendiarism, devastation and torture are daily reported to us and the Council is in utter despair. The evil is spreading and growing in intensity and further, thousands of Christians of Kilikia are in imminent peril. In the name of human brotherhood we crave your powerful interest and the protection of the Conference in order to rescue the pitiable victims of Turkish fiendishness.
